

## *Welcome*

The Villa Breg Hotel is settled on the Vrsac hills that can easily be spotted in vast Pannonian plane. It is ready to give You unique pleasure and unusual comfort. It is situated at the 170 m above sea level, covering 7200 m<sup>2</sup> of useful space amid beautifully arranged gardens covering 4000 m<sup>2</sup>. Vrsac is town of green parks and promenades, with numerous holiday resorts throughout the Vrsac mountains and surrounding places. Although it is well-developed economic and sports centre, Vrsac kept its peacefulness and tranquility of small town, which provides additional feeling of comfort.

Over 1750 hectares of vineyards, the ideal geographical latitude, the greatest wine-cellar in Central Europe, give this region a characteristic of being a particular wine-growing area.
